THE HISTORY OF MITI RESTAURANT

Welcome to Miti, where the magic of Greek mythology meets the flavors of the Mediterranean. Our restaurant pays homage to the ancient Greek gods and mythical creatures, with illustrations adorning our walls, setting the stage for a unique dining experience.

As you explore our menu, you'll discover dishes inspired by the rich tapestry of Greek mythology. Indulge in our Souvlaki, a tribute to the god of the hunt, Artemis, or sample our Youvetsi, a dish steeped in the traditions of Demeter, goddess of the harvest.

Join us at Miti, where each bite tells a story of gods and heroes, and where meal is an ode to the timeless myths of ancient Greece.
